

Unitar with Treble Clef

Nobuki Takamen

1. Pick one string at a time and play & memorize all the notes on that string. Note that there is a half step between B & C, and E & F, and there is no consecutive half steps.
2. Once you become completely familiar with the string, move on to the next string.
3. Remember to also work on all the notes one octave higher by starting from 12th fret.
